*Presented by NM Racquetball Association*

**El Gancho Fitness, Swim, and Racquet Club**  
**Santa Fe, New Mexico**  
**July 10-11**

Thirty-five players came to the El Gancho Club to compete in five different skill categories in a round-robin format. The following NM communities were represented: Albuquerque, Las Vegas, Los Alamos, Montezuma, and Santa Fe. There were also players from outside New Mexico, including Missouri and Texas. Some had never picked up a squash racquet; yet, they acclimated quickly due to their skills on the racquetball and tennis courts.
